Jack loved to make up stories and illustrate them. He did research to find out what things looked like. He sketched his ideas over and over on tracing paper. He colored the pictures with different textures. When his pictures were just right, he could imagine that his stories were real.

One night, Jack drew a bean vine. "I wish I had a magic bean vine, just like in the fairy tale," Jack said. He worked on the sketches until he fell asleep.

Past Tense
1.
2.
3.
4.
5.
