Technology Updates: 2018-2019

1. Student100 no longer will exist.

Click here for the Powerpoint explaining [How to set up student accounts](#)

Helpful Hints:

* The Student Number (ex. 123456) is now the Student's User ID for computer login

* Student number appears at the top right hand side of the report card

* Default password for all Students User ID's is Password1 (prompted to change on first login)

* Kindergarten - Second grade should setup classroom password (you can use same password for all students ex. tigers2018)

* Students passwords do not expire for the entire school year

2. Office 365

We will be switching from Dropbox to Office 365.
